Dear Ms Ojiambo,

**2022 Communication on Progress:
Statement of Continued Support for the UN Global Compact**

It is my pleasure to confirm that the Singtel Group continues to support the ten principles of the UN Global Compact relating to human rights, labour, environment and anti-corruption.

Singtel is committed to strong corporate governance and continuous improvements as part of our sustainability efforts. We published the Singtel Group Sustainability Report 2022 on 30 June 2022, providing an overview of our approach, policies, priorities and performance in the area of sustainability for our business operations in Singapore and Australia for the financial year ended 31 March 2022.

The report was prepared to be in line with the updated GRI Universal Standards 2021 and subjected to an external assurance process. We also mapped our disclosures to the SASB metrics.

You can view our report at <https://www.singtel.com/sr2022>.

Thank you.

Yours sincerely,
