United Nations Global Compact 685 Third Avenue, FL 12 New York, NY 10017 United States of America

Tarragona, July the 14th, 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COP report by virtue of the fact that we currently see ourselves incapable of communicating the information requested within the time frame available for that matter since the person who was in charge of doing that task has recently left the company.

Hence, we hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by October the 14th, 2022 at the latest.

Yours faithfully,

Edgar Rubio Torres Legal Counsel BIC GRAPHIC EUROPE, S.A
