

*Grupo de Moda Soma S.A.  
July 20<sup>th</sup>, 2022*

*To Our stakeholders:*

*We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO Statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.*

*We are late in creating, sharing, and posting our COP report due to an internal awareness process that aims to ensure all interested parts within the company are duly committed and fully aware of the content we're reporting this year. Furthermore, we are at the final stage of collecting the demanded signatures for our Communication on Progress, accordingly to Grupo Soma Institutional Policies and Governance.*

*We hereby ask for an extension period in order to be able to post a COP That describes our company's efforts and progress to implement the principles of the UN Global Compact. Our New COP Report will be posted on the UN Global Compact Website by August 20<sup>th</sup>, 2022 at the latest.*

*Sincerely yours,*

*Ms. Marina Ricciardi  
[Institutional Relations and ESG Coordinator]*
