

# LIVE LOVE

Date: 23-7-2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COE report due to the workload that we are experiencing in supporting the community needs.

We hereby ask for an extended period to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 25 October 2022.

Sincerely yours,
