To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP). The COP is comprised of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are currently creating, sharing and completing our COP report in order to enable PineBridge Investments to focus on implementation and align the timing of PineBridge Investments' COP with the publication of the Corporate Responsibility Report in 2023. This extension will allow us to integrate the contents of the COP into the Corporate Responsibility Report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by end of **June 2023** at the latest.

Sincerely yours,
