UN Secretary General

29th July 2022

Dear Sir, Dear Ma'am

RE: GRACE LETTER FOR COP EXTENSION

We are writing to request a grace period of up to 15th August 2022 to submit our communication on progress. The reason for this is that we would like to include in our report that we are now moving back to work from the office effective 8th August. We are doing a fit out for our new office space (which we have designed with sustainability in mind, and we would like to include photos of this. There have been delays in the finishing of the interior works, and the work has been delayed by a further week.

To this end, we request to submit on or before 15th August 2022 to allow us to include this new development in our reporting.

My best regards
