

To our stakeholders:

Dear Sir/Madam,

RE: REQUEST FOR A GRACE PERIOD

I hope this finds you well.

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to changes within the team. Such challenges have seen us experience delays internally on areas that are critical not only to our operations but also in tasks and partnerships that help keep our actions aligned.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September 15, 2022, at the latest.

Sincerely yours,
