To our stakeholders:

We recognize that key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress(COP) that comprises of a statement of continued support for the UN Global Compact ,a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We have recently changed our integrated reporting cycle. GUNZE LIMITED will now publish its report in September, for the previous financial year, ending 31 March each year. To enable us to align UNGC COP, integrated reporting, we request a change in our annual COP date to 15th September each year.

We hereby ask for an adjustment to our deadline in order to be able to post COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30,September at the latest.

Sincerely,

Junko Nakashima
