

01 August 2022

Statement by the CEO

I am pleased to submit IP Group plc's Communication on Progress for 2021. IP Group is committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company. In this Communication on Progress report, we document our progress as a corporate and as an investor in implementing the Global Compact principles.

Yours faithfully,

Greg Smith, Chief Executive Officer
IP Group PLC
