İstanbul, August 1, 2022

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are late in posting our COE report due to the timing of information gathering process in our institution.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 31 October 2022 at the latest.

Sincerely yours,

Oyku Gul
