

Grace period application letter

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to administrator changes and job handover issues. In fact, we only discovered on August 1, 2022 that we had lost contact with the Global Compact. We are very sorry for this. But we were keen to continue to join the Global Compact, so we immediately contacted the Regional Manager and started preparing the COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 08 November, 2022 at 23:00 UTC at the latest.

Sincerely yours,
