Dear Mr Secretary-General:

I am please to confirm that Unlimited supports the ten principles of United Nations Global Company on human rights, labor, environment and anti-corruption. With this communication, we confirm that we have impleted those principles to the best of our ability. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engage in collaborative products which advance the Sustainable Development Goals of the United Nations. This is a clear statement of this commitment to our stakeholders and the general public. We support public accountability and transparency and therefore report this annual Communication of Progress (COP) for the year 2021-22.

Founded in 1992, Unlimited is one of the largest organizations in Nepal with its sister concerns into education, internet service provider, software development, outsourcing, non-profit foundation along with running a cooperative bank, digital wallet and a remittance company to provide digital financial services in the country. Unlimited employs approximately 100 individuals throughout the country with its corporate headquarters in Kathmandu, Nepal.

Sincerely,

A handwritten signature in black ink that reads 'Allen Tuladhar'.
