

MAIA GROUP COM. EQUIPAMENTOS MEDICO HOSPITALAR EIRELI

Aug 3rd, 2022.

To whom it may concern,

We recognize that a key requirement to participate in the UN Global Compact is the annual preparation and posting of the document labeled as Communication on Progress (COP), consisting of statement from the company's CEO compromising for continued support for the UN Global Compact, a description of practical actions regarding the principles of the UN Global Compact, and measurements of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our organization being an small business. We have a small structure and our team is busy in our projects that are the base for our financial balance.

We are here asking for a delay of the due date in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by december 02nd, 2022 at the latest.

Sincerely yours,

Carlos Eduardo Maia  
President of Maia Group
