BANCO FIE S.A./GNDRS/ CE-052/2022

REF: TO OUR STAKEHOLDERS:

Of my consideration:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to sick leaves in the unit staff in charge of preparing the report and, in particular, by the Manager in charge. Since our Sustainability Report is approved by our board of directors, we need a grace period of 90 days to make it public.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September 31st at the latest.

Sincerely yours,

Claudia San Martín Valencia
