To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions about the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to lack of members in our team, the deadline of August 26 2022, for sending the final CoP will most likely not be able to attain.

We hereby request an extension of 90 days, which will help us gather all the missing information for the final report as well as the redaction.

Sincerely yours,

Vincent Lemieux
