To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to several logistical and operational transitions that were being undertaken at Tabadlab as a result of the pandemic. As a result of this, our assigned personnel were unable to undertake this task before the approaching deadline. We would be grateful for your understanding in this regard.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by November 11, 2022 at the latest.

Sincerely yours,

Zeeshan Salahuddin
Director of Growth and Strategy
Tabadlab Private Limited.
