Dear Sir/Madam,

**UN Global Compact Communication on Progress: Grace Letter**

We are aware that the key requirement for participation in the United Nations Global Compact is the annual preparation and publication of a Communication on Progress (COP), which includes the CEO's declaration of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are a new member of the UN Global Compact and we are preparing a COP report, which will be our model for reports in the coming years. The synergy of our values and principles is the most valuable for us, hence the prolonged work on the report.

We hereby ask you to extend the period to be able to publish a reliable COP report describing our company's efforts and progress in implementing the principles of the UN Global Compact. Our COP report will be published on the UN Global Compact website until 20 November, 2022.

Kind regards,
