To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to the unforeseen situation that occurred in Afghanistan, which led to evacuations in which Sayara International was comprehensively involved. This also led to restructuring within the organization and thus we have not been able to meet the deadline of August 12, 2022. We hereby ask for an extended period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by November 11, 2022, at the latest.

Sincerely yours,

Ms. Saloni Gandhi

Director of Admin & Operations
