

## Grace Letter

Date: 29/08/2022

To our stakeholders:

We recognize that a key for a participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to ongoing sustainable development activities related to pro-environmental issues.

We hereby ask for extension period in order to be able post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 29/11/2022 at the latest.

Sincerely yours,

Mr. Tomasz Kobierski  
President of Grupa MTP
