

CHANINTR

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our company is undergoing a lot of transformation during this first half of the year, including restructuring and the launching of many new business units. For this reason, we were not able to prioritize the report's initial deadline.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by December 30, 2022 at the latest.

Sincerely yours,

Mr. Norranit Suvanich
Marketing and Communications Manager
