

2nd September 2022

To our stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP), that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions regarding the principles of the UN Global Compact, and a measure of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP due to the officer in charge of this task, having personal issues and a death in the family.

We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30th November 2022 at the latest.

Yours sincerely

Mr. Matthew Salahi
CEO
