Re: Reporting Cycle Adjustment

Birla Carbon is requesting a reporting cycle adjustment to align with the publication of our annual Sustainability Report, typically published in mid-September. Our 2022 Communication on Progress will reference our 2022 Sustainability Report, and we are preparing a UNGC COP Index to be included with this upcoming report. The 2022 Report and Indices are scheduled to be published in the next few weeks.

Sincerely yours,

A handwritten signature in black ink that reads "Amy D. Hickman". The signature is written in a cursive style.

Amy Hickman
