Dear Secretary-General

Ampol Limited reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of human rights, labour, environment and anti-corruption.

In our annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our stakeholders using our primary channels of communication, which can be found in our [2021 Sustainability Report](#).

Yours sincerely
