Dear Mr. Secretary - General,

I'm pleased to confirm that Unilog SA, supports the **Ten Principles of the United Nations Global Compact**, on human rights, labor, environment and anti-corruption. With this communication we express our continually intent to implement the above principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day to day operations of our company and to engaging in collaborative projects particularly the Sustainable Development Goals.

We submit our Communication of Progress (COP) that describes Unilog's annually implementation to the Ten Principles according to the UN Global Compact COP policy which includes:

- A statement signed by the CEO expressing continuing support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken or plans to undertake to implement the UN Global Compact principles.
- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other quantitative measurements of results).

Sincerely yours,

**UNILOG A.E.**
