2	Zero Hunger	Food and hygiene packs distribution	400,000 Food & Hygiene packs, Bread & Water distributed all over Lebanon.
		Hot meals distribution for families and elderlies	100,000 Cooked Meals distributed with bread, fruits & vegetables.
3	Good Health and Well-Being	Physical medical assistance	100 Eyeglasses distributed.
			5,000 medicines, women pads, baby formula & diapers distributed & 150 Free Consultations.
4	Quality Education	Filling educational gaps of public-school students	1,500 Students benefiting from Scholarships, Laptops & Online Tutoring Courses.
		Collecting school supplies from the institutions	100,000 school supplies distributed.
		Art Therapy Sessions for relaxation & calm down	500 children benefited from Psychological support & Therapy Sessions.
5	Gender Equality	Women empowerment	Empowering women is essential to the health and social development of families, communities and countries. Bassma chooses to empower women, in managerial positions, because they are the backbone of our society.
8	Decent Work & Economic Growth	Employment opportunities	300 jobs matched, thanks to our Employment Office and to our daily opportunities posts on: BASSMA.org - Employment Forum
11	Sustainable cities and communities	Rebuilding, renovating and refurbishing	Through its Beirut Home Reconstruction program, Bassma rebuilt 300 homes & 11 buildings, and refurbished 200 homes.
15	Life on land	Protect biodiversity and conserve terrestrial ecosystems	Eco friendly project consists of launching an educational and social farm that carries out agriculture and agritourism activities. The aim is to work on environmental sustainability including an educational and central kitchen, a hen house, and will comprise the production of local products. The yearly target is to help feed, educate & empower 10,000 Lebanese families.

17	Partnerships for the goals	Sharing our skills and knowledge	Through its different partnerships with corporations, schools, universities, local and international NGO as well as governmental entities, Bassma is achieving its goals within different programs.
