Subject: request for extension period on posting COP

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact.

This includes a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are a bit late in sharing and posting our COP report due to a lack of operational resources.

We hereby ask for an extension period in order to be able to post a COP during closure of Q4 2022, together with our annual report, that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by dec 18th 2022 at the latest.

Sincerely yours,

Rogier Verheij
