

13 September 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because we are managing this project for the first time and have often found ourselves making mistakes. However, we already have a clear view of what would make the project a success and hopefully we will be on track.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15 December 2022, max. 90 days from COP deadline at the latest.

Yours sincerely,

**Fatimah Osman**
