

Adjustment Request

UNESCO Chair, Munster Technological University

Adjustment Request Letter
September 15th 2022

Dear Stakeholders,

We recognise that a key requirement of our participation in the UN Global Compact is the preparation and posting of our Communication of Engagement (COE).

We are currently comprising our COE, including the description of our actions regarding the GC Priorities, and the measurement outcomes.

We request the COE deadline for both the MTU UNESCO Chair and MTU to be adjusted by two weeks from September 17th to October 10th.

Sincerely,

Catherine Carty,
UNESCO Chair Manager,
Munster Technological University,
Tralee, Ireland
