CVR-nr. 69749917**Coloplast Communication of Progress 2021/22**

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (CoP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in sharing and posting our COP report, as the Coloplast financial year runs from 1 October 2021 to 30 September 2022. As such, the Coloplast Sustainability Report 2021/22, which constitutes our CoP, is published after this year's deadline for CoP submission.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website no later than 31 December 2022.
