Siris Youth Foundation is pleased to confirm its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment, and Anti-Corruption. We have strict guidelines as well as measurement of outcomes in place. In our 2021/22 Corporate Sustainability Report below, we describe our actions to continually improve the integration of the Global Compact and its principles into our business, strategy, culture, and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

## Overview

SYF Nepal was born with the intention of empowering women and youth by improving their standard of living through vocational training, entrepreneurship, donation program, health and hygienic awareness campaign, skill development program, and digital education training so that they can establish their own business and generate income.
