To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We want to align our internal reporting cycle with the COP deadline, and make preparation and share a consolidated report for both 2021 and 2022 for Orhan Holding Automotive Group Türkiye. We hereby request our COP deadline to be adjusted to June 2023.

Sincerely yours,

Evrin Bayam Pakiş
Vice President of People and Corporate Development
