Dear Stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to willingness to describe in detail practical actions with regard to the principles of the UN Global Compact, for which we need more time.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our COP report will be posted on the UN Global Compact website by 27th of December, 2022 at the latest.

Sincerely yours

Krzysztof Prasał
