

28 September 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

On behalf of AYA SOMPO Insurance, I hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. The necessity to extend the term occurred is due to some political instabilities and happenings here. A lot of unforeseen changes are occurred so we would like to request a 90 days grace period for us.

Our new COP report will be posted on the UN Global Compact website by 27th December 2022 at the latest. We appreciate your understanding the situation occurred.

Sincerely yours,
