H.E. António Guterres
Secretary-General
United Nations
New York, NY 10017 USA

Dear Mr. Secretary-General,

our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COP report due to our information is very vast and involves three innovations. We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 05.01.2023 from COP deadline at the latest.

Should you need more clarification on this instruction, please do not hesitate to contact the CEO Dr. Ralph Michael on +60 17 616 0240.

Sincerely yours,

Ralph Michael Esq. PhD Ec.
