To our stakeholders:

We recognize that the key requirement for participating in the UN Global is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and measurement of outcomes or expected outcomes.

Despite our commitment with the UN Global Compact, we are late in creating, sharing, and posting our COP report due to a particular temporary situation that our Company is going through.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 7<sup>th</sup> January 2023 at the latest.

Sincerely yours,

Pilar Sauqué  
Environmental and Sustainability Manager
