Dear Mr. Secretary General,

I'm pleased to confirm that Automobile Club d'Italia continues to support the ten principles of the UN Global Compact, with respect to human rights, labour, environment and anti-corruption.

For this reason, in response to Your request, we present our Communication on Engagement for the current year, with which to make a clear statement of this commitment to our stakeholders and to the general public.

Yours sincerely,

Ing. Angelo Sticchi Damiani
President of Automobile Club d'Italia
