NGO in Special Consultative Status with the ECOSOC of the United Nations

Our Ref. No.: 2022-SILA-UN-GLOBAL
21 October 2022

RE: REQUEST FOR EXTENSION OF TIME – COMMUNICATION ON PROGRESS (CoP)

To all our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are collecting some administrative documents and some of our organization's related activities. As a result, it is critical that the COP report experience some delays in retrieving certain updates from some members, schools, and their activities. Upon gathering all the information, we will create, share, and post our COP.

We request an extended period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. We intend to post our new COP report on the UN Global Compact website **by December 25, 2022**, at the latest, or earlier.

Yours sincerely,

GURUJI DR. MURUGAN CHILLYAH
