

FERRO TORRE S.A.
MATERIALES DE ACERO PARA LA INDUSTRIA Y CONSTRUCCIÓN

Quito, October 28th, 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report because during this whole month we have been working on projects related to climate change and gender violence, topics that we wanted to include in our report.

We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by November 30th, 2022, at the latest.

Sincerely yours,

Juan Carlos Neira

Product Manager
