To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact and that is aligned with our financial year as well as with the new COP policy effective as of 2023.

Our first COP report will be posted on the UN Global Compact website by February 8th, 2023, at the latest.

Sincerely yours,

Mr. Samuel Ansorge
CEO
