To our Stakeholders:

We're pleased to confirm that Employers Association Transport & Logistics Poland reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. In our day-to-day operations we are committed to advancing the Principles to our co-workers, members and partners of our projects.

In this Communication of Engagement, we describe the actions that our organisation has taken to support the UN Global Compact and its Principles as suggested for an organisation like ours. We also commit to sharing the information with our stakeholders and the general public using our primary channels of communication.

Sincerely yours,

Maciej Wroński
