Plasticizer Sales Contract For Year 2022

Documentation: Certificate of Analysis and invoice.

Upon arrival of the goods, shipped as an intra-community delivery at the place of destination the Buyer is obliged to send a copy of the CMR duly signed, stamped and dated.

The buyer is obliged to inform the Seller about any changes which might influence the tax obligations, as the company name, address, VAT number and others. The Seller must be informed about these changes immediately and the Buyer must deliver this information to the Seller by receipt. The Seller has right to ask the Buyer to cover all the costs which might arise by the lack of a/m information. Without a written consent of General-Oxo S.A., rights and obligations connected with the present agreement cannot be transferred to any third party.

The buyer declares that the product purchased within this contract is not acquired for the purpose, will not be used and offered for sale to internal combustion engines or for heating purposes or as an addition or admixture for motor fuels and heating fuels.

This Sales Contract shall enter into the force on the date of signing, with effect from January 1, 2022 and valid until December 31, 2022. Thus, the Parties confirm that from January 1, 2022 they are bound by a Sales Contract with the following content corresponding to this Sales Contract, and currently give it a written form.

QTY +/-5% 1.200mt/year, split on regular monthly deliveries confirmed by both Parties. Deliveries will be realized in Seller's roadtankers to the consignee provided by the Buyer in Purchase Orders, i.e.:

- 1) [REDACTED] 37139 VERONA, Italy
- 2) [REDACTED] 37139 VERONA, Italy

The estimated volume is given with the exception of scheduled shutdown periods, declarable with 60 days advance, when the volume of the product might be reduced.

Parties will agree the reduction prior to the beginning of the shut down.
