

9 November 2022

To our stakeholders:

We are happy to report our progress and provide our [2021 Sustainability Update](#). We re-confirm our support and commitment for the UN Global Compact. As we work towards delivering our 2030 commitments we have much more to do and learn but our pleased with the progress we have made across our four priority areas - Wellbeing & Fulfillment, Climate Action, Sustainable Sourcing and Health and Nutrition.

We are very grateful to all our people at Griffith Foods and our partners who continue to help us advance our Purpose of blending care and creativity to nourish the world. We look forward to our ongoing journey and Creating Better Together!

Respectfully yours,
