NNLE Parki ar minda

### **Part I**

Period covered by this Communication on Engagement

From: November 2020 To: November 2022

**November 11, 2022**

**Secretary-General António Guterres United Nations**

Dear Mr. Secretary-General António Guterres,

I am pleased to confirm that the NGO Parki ar minda reaffirms its support to the United Nations Global Compact and its 10 Principles in the areas of human rights, labor, anti-corruption and environment. With this letter, we confirm our intent to support and advance these principles. We will explore opportunities to engage companies and other stakeholders to further the implementation of the 10 principles.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours.

## Part II. Description of actions

Please use the box below to describe the actions your organization has taken in support of the Global Compact. It is strongly recommended that the actions taken are related to one or more of the specific activities suggested. Please refer to the complete list of suggested activities for your type of organization found [here](#).

In the last two years (since November 2020 to November 2022) NGO Parki ar minda:

- became a part of local Global Compact Network in Georgia
- Participated in 2 stages of the project initiated by UNDP Accelerator Lab on the introduction of municipal separate waste collection
- Engaged public in the topics of Environmental protection through public talks and clean-up activities
- Partnered with Global Compact members in clean-up activities and separate waste collection
- Supported women empowerment through employing elderly women and provided decent work conditions to our team making it an example for fair wages.

Our principles of transparency, fairness and care for the environment that lay in the core of all our operations align completely with the United Nations Global Compact and its 10 Principles.

### **Part III. Measurement of Outcomes**

Please use the box below to include the most relevant qualitative and/or quantitative indicators to measure the outcome of the activities described in Part II above.

At least one more business became a part of Global Compact Network as a result of our Membership and activities.

Partnerships with Global Compact Network members widened the impact of our activities in the protection of environment.

We provided waste management and recycling workshops for more than 10 companies, some of them - members of Global Compact Network.

Through presence in social and traditional media we promoted the ideas of sustainability, care for environment and waste reduction to the audience of more than 1 000 000 people.
