#### COMMUNICATION ON ENGAGEMENT

Greetings.

The Kingdom Life Christian University is on a mission to educate people across the globe. We had a lot of engagements that matches with United Nations missions and education objective.

We are able to relocate our headquarters to Columbia, South Carolina. We have extension education opportunity to Philipines, India, Benin Republic, Togo, Nigeria, Ghana, Kenya, Cameroun and Uganda.

We have opened KINGDOM LIFE COLLEGE OF EDUCATION to train teachers in Nigeria.

Several thousands of people who couldn't afford to be educated by expensive colleges were educated easily.

We will continue to support the United Nations Global Compact, initiatives and principles.

We are on our way to doing more in the years to come.
