To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to unforeseen delays in our reporting cycle, we would like to request an extension period to submit our COP that will reflect our company's efforts and progress to implement the UN Global Compact's Ten Principles.

We are scheduling to submit our COP on the UN Global Compact website by February 14, 2023.

Your sincerely,
