To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that the former Service Learning Coordinator/ Middle School & High School Principal both left Welling Spring and forgot to inform the Head of School or myself of this.

We hereby ask for an extension period in order to be able to post a COP that describes our learning community's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by December 8, 2022 at the latest.

Sincerely yours,
