

Stockholm 15th November 2022

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We are late in creating, sharing, and posting our COP report due to change in staff. We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 14th of February 2023 at the latest.

Sincerely yours,

Mr. Andreas Carlberg

CEO/Managing Director
