To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unforeseen staffing issues which meant a redistribution of workload, so we are experiencing some delays in writing the report but will finish this as soon as possible.

We hereby ask for an extension period in order to be able to post a COP that describes our organisations's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30 January 2023 at the latest

Sincerely yours,

Dr Johanna Hoekstra
