UN Global Compact

Adjustment Request

20. November 2022

To our stakeholders:

With this letter, the CBS International Business School, a state-recognized private university of applied sciences for business, based in Germany, expresses its continued support for the UN Global Compact and renews its ongoing commitment to the initiative and its ten principles.

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions concerning the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes. However, our organization recently underwent a major merger process that integrates seven different campuses throughout Germany and two universities of applied sciences. Consequently, we want to align our internal reporting cycle with the COE deadline. We hereby request our COE deadline to be adjusted to October 23th, 2023.

With kind regards,

Prof. Dr. Christoph Willers
Managing Director
