To our stakeholders:

Shwe Taung Group aims to be one of the responsible and sustainable companies in Myanmar. As a result, our Group is currently working on publishing its 2021 sustainability report, which will be aligned with the UNGC principles and the Sustainable Development Goals.

We are late in creating, sharing and posting our sustainability report due to insufficient data preparation.

We hereby request for an extension period and our new report will be posted on the UN Global Compact website by 25th of February 2023 at the latest.

Sincerely yours,

Ms. Aye Mon Thu
